**UNITED STATES DISTRICT COURT**  
**NORTHERN DISTRICT OF CALIFORNIA**  
**SAN FRANCISCO DIVISION**

ORACLE AMERICA, INC.

Plaintiff,

v.

GOOGLE INC.

Defendant.

Case No. 3:10-cv-03561-WHA

Honorable Judge William Alsup

**STIPULATION AND [PROPOSED]  
ORDER REGARDING COPYRIGHT  
DAMAGES**

1 Subject to the approval of the Court, the parties stipulate and agree as follows:

2 1. The assessment and award of monetary relief, if any, for infringement arising as a  
3 result of the rangeCheck code and the decompiled files that were the subject of questions 3.A  
4 and 3.B of the phase one jury verdict (the “Copied Materials”) shall be deferred in accordance  
5 with this stipulation.

6 2. In the event that Oracle’s claim based on the SSO of the 37 accused API packages  
7 or any portion thereof (the “SSO Claim”) is ultimately submitted to a jury (the “Future Jury”) for  
8 an assessment and award of monetary relief, then:

9 A. Proceedings with respect to the SSO Claim will be bifurcated, i.e., liability  
10 will be tried separately from willfulness and damages;

11 B. Oracle shall be free to seek from the Future Jury monetary relief in the  
12 form of profits for the infringement arising as a result of the Copied Materials, but only to  
13 the extent such profits are not taken into account in computing any actual damages or  
14 profits sought for infringement of the SSO; provided, however, that nothing herein shall  
15 require Oracle to allocate its actual damages and/or profits claimed between the SSO and  
16 the Copied Materials; and

17 C. In the event Oracle seeks profits arising as a result of the Copied Materials  
18 in such a future damages phase, neither party may use any expert opinions or reports or  
19 other evidence that they could not have used in the event such claim for profits was tried  
20 before the current jury.

21 3. In the event that no portion of Oracle’s SSO Claim is submitted to a future jury  
22 for an assessment and award of monetary relief, then:

23 A. The parties waive their right to a jury trial on the issue of monetary relief  
24 if any, for infringement arising as a result of the Copied Materials;

25 B. Oracle waives any claim for actual damages or profits for such  
26 infringement; and

27 C. The Court will set an amount of statutory damages for such infringement  
28

1 in accordance with 17 U.S.C. § 504(c).

2 4. Nothing contained in this stipulation shall impair or adversely affect in any way  
3 the rights of the parties to raise in any appeal any and all issues relating to the Copied Materials;  
4 for the avoidance of doubt and without limiting in any way the generality of the foregoing, such  
5 rights of appeal shall include, among other issues: (a) issues relating to the definitions of “work  
6 as a whole” that formed part of the instructions to the current jury and/or whether use of the  
7 rangeCheck code or the decompiled files was *de minimis* as a matter of law and (b) issues  
8 relating to the amounts of any damages (including statutory damages) awarded in accordance  
9 with the procedures set forth above.

10 5. In the event the current jury returns a verdict finding infringement as to any claim  
11 of the 104 Patent or the 520 Patent, the parties shall proceed in accordance with the stipulations  
12 previously entered into between the parties.

13  
14  
15 **[PROPOSED] ORDER**

16  
17 The foregoing stipulation is approved, and IT IS SO ORDERED.
